ABOUT

Tenley Hill is a two-way force at UCLA — wide receiver with the hands to make any catch, middle linebacker who anchors the defense. In 2025 she founded UCLA Club Flag Football from scratch: secured field time, assembled a roster, led both sides of the ball. First game in program history: a 7–0 shutout of USC. The team closed the inaugural season on a 9-game winning streak, finishing 11–5.

Before UCLA, a four-sport varsity athlete at San Clemente HS — Team MVP, 1st Team Sea View League, All-CIF, 4.89 GPA, 2025 Athlete of the Year. Now a Communications major with two op-eds published in the Daily Bruin on flag football and NIL reform.

> ***"I wanted to play flag my first year, and I did everything—got a board together, prepared a budget and fundraising plan, recruited a coach, completed the application process—as fast as possible."***

NIL & PARTNERSHIPS

Flag football debuts at the 2028 LA Olympics. Tenley is one of the athletes building the sport at the collegiate level. The LA Chargers already noticed, awarding her program a $10,000 Impact Fund grant in April 2026.

With a growing social presence, two published op-eds, and back-to-back USA Football Select Bowl appearances, she brings the credibility and visibility brands can build around now.

> **TWO UNIFORMS. ONE ATHLETE.**
>
> Freshman year, Tenley was a UCLA cheerleader. Now she's the flag football captain who built the program from scratch. For brands, that's access to both sides of game day in a single partnership.
